

**Vehicle Details**

Vehicle Make	Audi
Vehicle Model	swift
Year	1998
Fuel Type	Hybrid
Transmission	Manual
Mileage	12
Engine Capacity(L)	10
Engine Cylinders	9
Drive Type	4WD
Body Type	SUV
Exterior Color	Black
Interior Colour/Trim	Dark
Number of Keys	test
Last Service Date	2025-08-30
Registration Emirate	test1
Specification	test3
Registration Number	test4
Chasis Number	test5

# Terms & Conditions

By booking or confirming a vehicle inspection ("Service") with Certify Cars – UAE online, you agree to the following Terms & Conditions:

## 1. Authorisation

You authorise Certify Cars – UAE to inspect and, if safe, test drive the vehicle ("Vehicle") for the purpose of delivering the Service. If the Vehicle belongs to a third party, you confirm that you have their permission for this inspection.

## 2. Scope of Inspection

- The Service involves a full check-up of the Vehicle, including major visible components, basic mechanical functions, and a limited test drive.
- Certain inspections may require RTA clearances or approvals.
- While we perform a thorough inspection, some issues may still be missed or intentionally hidden by the owner.
- Certify Cars – UAE does not accept responsibility for any issues not detected during the inspection.

## 3. Inspection Report

- The inspection report ("Report") reflects the inspector's opinion at the time of inspection.
- The Report is informational only and does not constitute advice to buy, sell, or maintain the Vehicle.

## 4. Risk & Liability

- The Service is entirely at your own risk.
- Certify Cars – UAE, its staff, or representatives accept no liability for:
  - Any mismatches in the Vehicle
  - Any damages during or after inspection
  - Any costs or charges arising from the inspection or the Report

## 5. Fine

- If the customer fails to comply with these Terms & Conditions, including providing false information about the Vehicle, the customer agrees to pay a fine of AED 1,500.
- This fine represents the maximum payable amount under such circumstances.

## 6. Governing Law

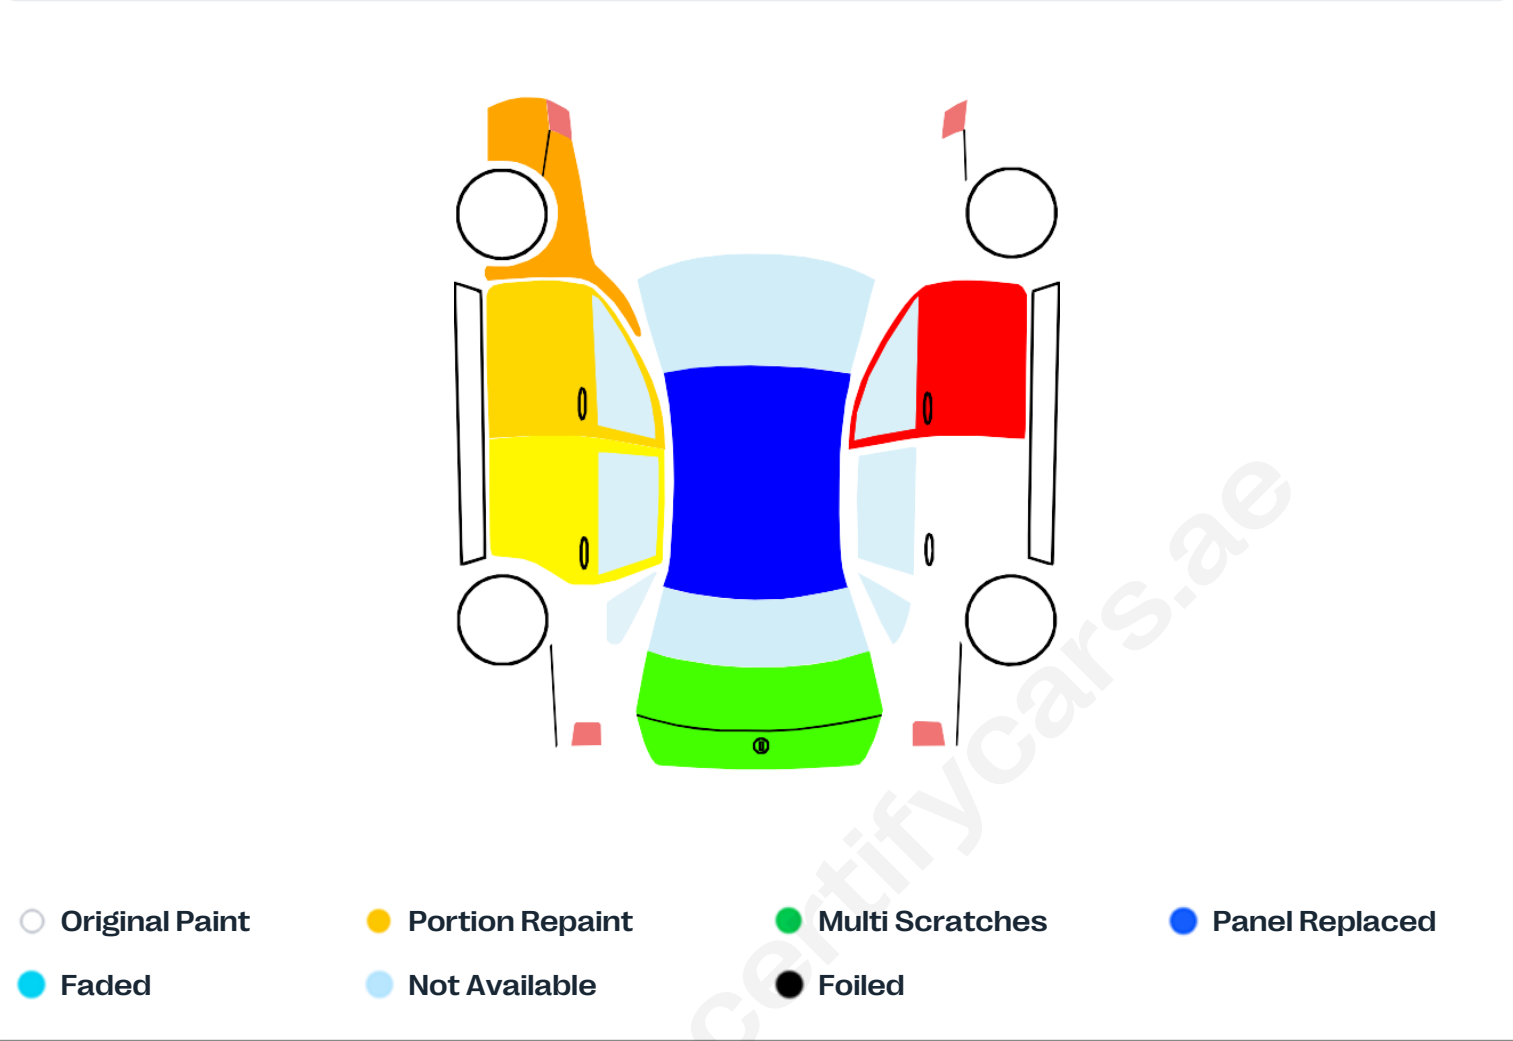

These Terms are governed by the laws of the United Arab Emirates. Any disputes will be resolved under UAE jurisdiction.

Disclaimer: This inspection report reflects the condition of the vehicle at the time of inspection. It does not guarantee future performance. CertifyCars LLC is not liable for any hidden defects not visible during inspection.

## Body Details

Front bumper	Need Repair
Rear bumper	Need Repair
Bonnet	Need Repair
Boot lid	Need Repair
Left front wing	Need Repair
Right front wing	Need Repair
Right front wing fit	Need Repair
Right rear door fit	Need Repair
Panel gap uniformity	Need Repair
Boot seal fitment	Need Repair
Fuel filler door operation	Need Repair
Body fasteners intact	Need Repair
Tow eye point secure	Need Repair
Undercarriage guards	Need Repair

Chassis Condition

**Exterior Comment**

**Normal Comment**

## Engine Bay

Engine start behavior cold	Excellent
Engine start behavior warm	Excellent
Idle stability	Excellent
Throttle response	Excellent,Normal,Good,Bad
Abnormal engine noises	Excellent
Engine oil level check	Excellent
Engine oil appearance	Excellent
Visible oil leaks	Excellent
Oil filter housing condition	Excellent
Coolant level check	Excellent
Coolant color	Excellent
Coolant leaks	Excellent
Signs of coolant in oil	Excellent
Hose condition	Excellent
Drive belt condition	Excellent
Timing belt condition	Excellent
Turbo boost check	Excellent
Air intake condition	Excellent
Air filter element	Excellent,Good
Starter motor cranking	Excellent
Fuse box access	Excellent

## Transmission & Drivetrain

Transmission fluid level auto	Good
Transmission fluid condition auto	Dry
Manual gearbox oil check	Need Maintenance
Transmission mount integrity	Excellent
Gear selection smoothness	Excellent
Clutch bite slippage	Excellent
Automatic shift quality	Excellent
Transfer case engagement	Good
Drive shaft visual inspection	Excellent
Cv joint boot integrity	Good
U joints coupling check	Excellent
Differential oil condition	Excellent
Differential housing leaks	Excellent

## Glass & Mirrors

Windshield condition	No damage / Excellent condition,Minor scratches,Chips present,Cracks present
Windshield wiper function	Working properly
Wiper blade wear	Good condition
Rear wiper function	Working properly
Side window operation lf	Smooth operation
Side window operation rf	Smooth operation
Side window operation lr	Smooth operation
Side window operation rr	Smooth operation
Rear window condition	No damage / Excellent condition
Sunroof operation	Smooth operation
Sunroof drainage check	No leakage / Proper drainage
Sunroof glass condition	Excellent / No damage
Left external mirror function	Fully functional
Right external mirror function	Fully functional
Mirror adjustment motors	Working properly

## Cluster & Lamps

Engine light	Not Visible
Abs light	Visible
Oil pressure light	Visible
Battery charging system light	Visible
Coolant temperature warning light	Not Visible
Airbag warning light	Visible
Seatbelt reminder light	Visible
Traction control light	Not Visible
Tpms	Not Visible

## Suspension & Steering

Front strut mount condition	Excellent
Rear strut mount condition	Good
Front shock absorber function	Normal
Rear shock absorber function	Normal
Front spring integrity	Good
Rear spring integrity	Excellent
Control arm bush condition	Excellent
Lower ball joint play	Excellent
Upper ball joint play	Excellent
Anti roll bar links bushes	Excellent
Steering rack seal condition	Excellent
Steering rack play check	Excellent
Rack end condition	Excellent
Tie rod end play	Excellent
Steering column noises	Normal
Power steering fluid level color	Excellent
Power steering pump noise	Excellent
Subframe mount condition	Excellent
Chassis mounts security	Excellent
Steering wheel free play	Excellent

## Brakes

Master cylinder seal condition	Excellent
Brake booster operation	Good
Front disc condition runout	Normal
Rear disc drum condition	Bad
Front pad	Bad
Rear pad	Normal
Handbrake adjustment holding	Good
Abs function wheel speed check	Excellent
Brake pedal travel firmness	Bad
Brake fluid contamination test note	Bad
Comments brakes	8

## Interior General

Dashboard fit finish	Excellent
Instrument cluster illumination	Good
Warning lights active start	Normal
Odometer function	Bad
Interior lighting	Bad
Glove box latching	Excellent
Carpet wear retention	Good
Interior contamination odour	Normal
Trunk boot interior condition	Bad

## Seats & Restraints

Driver seat adjust locks	Excellent
Passenger seat adjust locks	Good
Seat sliding rails	Normal
Seat cushion wear	Bad
Seat type	Cloth
Seat upholstery integrity	Good

## HVAC & Infotainment

Air condition	Excellent,Good,Normal,AC Not Cooling,Blower Fan Not Working
Infotainment condition	Excellent,Touchscreen Not Working,Bluetooth / Connectivity Issues,Screen Flickering,Navigation Malfunction
Radio condition	Good,No Sound / Low Volume,Intermittent Reception
Heating cooling system	Normal

Verified by certifycars.ae

## Cooling & Fuel System

Radiator core condition	Excellent
Radiator fan operation	Good
Cycling observation	Normal
Overflow expansion tank condition	Bad
Heater core performance	Good
Fuel tank inspection	Normal

## Electrical Systems & Lighting

Radiator core condition	Excellent
Radiator fan operation	Good
Cycling observation	Normal
Overflow expansion tank condition	Bad
Heater core performance	Good
Fuel tank inspection	Normal

## Tyres & Wheels

Tyre brand size lf	1sd
Tyre brand size rf	2
Tyre brand size lr	3
Tyre brand size rr	4sdsd
Tyre manufacture date lf	5
Tyre manufacture date rf	6
Tyre manufacture date lr	7
Tyre manufacture date rr	8sdsd
Tread depth lf	9
Tread depth rf	10
Tread depth lr	11
Tread depth rr	12
Tyre pressure	13
Spare wheel condition	14
Tyre comment	7

## Performance & Road Test

Start performance	Normal
Acceleration responsiveness	Bad
Cruise control engagement test	Excellent
Garebox performance	Good
Engine vibration idle	Normal
Mid range power	Bad
Highway stability	Good
Steering feedback	Normal
Abs intervention	Bad
Braking performance	Excellent
Transmission harshness	Good
Clutch engagement	Normal
Noise levels	Bad
